WHAT IS CHILDCARE SUPPORT PLAZA ?

The Childcare Support Plaza is a welcoming place where parents and children can come together, play, and connect with others in a supportive community. We offer a variety of toys and a space to make new friends, and each month we host fun events and helpful parenting workshops. For those who don't speak Japanese, interpreters are available twice a month. Please refer to the schedule below for details. Whether you're looking to share experiences, get advice, or just have fun, you're always welcome to drop by. Our friendly staff are here and excited to meet you!
